SUCCESSFUL COMPLETION OF \$1.5M EQUITY RAISE TO ACCELERATE DEVELOPMENT OF THE KOOKYNIIE TAILINGS PROJECT AND POTENTIAL ACQUISITIONS

Nex Metals Explorations Ltd (“NEX” or the “Company”) is pleased to announce the successful completion of a \$1,530,000 (before costs) equity raise via a share placement to institutional and sophisticated investors.

Funds raised will be used to assess development options for the Kookynie Tailings Project, JV expenditure on tenements held by NEX, working capital, and to explore potential value adding acquisition opportunities.

NEX has received firm commitments from new and existing institutional and sophisticated investors to subscribe for approximately 42.86 million new fully paid ordinary shares (**Shares**) at a volume weighted average price of \$0.036 per Share, as detailed below:

- i. 28,063,914 Shares issued at \$0.035 per Share raising \$982,237. Shares issued under the Company’s available ASX listing rule 7.1 placement capacity.
- ii. 14,793,229 Shares issued at \$0.037 per Share raising \$547,349. Shares issued under the Company’s available ASX listing rule 7.1a placement capacity.

Settlement of the placement is expected to occur on Tuesday 17 September 2024.

Indian Ocean Capital Pty Ltd¹ (Sydney office) (“IOC”) is acting as the Lead Manager to the Placement, which has been strongly supported.

Commenting on the success of the Placement, Chief Executive Officer² Mr Maki Petkovski, said:

“In line with the Company announcement on 27 August 2024 “Kookynie Gold Project Update” I and the Company have both hit the road running with steps to progress the Company’s assets and to look at future Gold project acquisitions from my years of experience in the industry. This placement by Indian Ocean Capital shows a vote of confidence in the new team at NEX.”

This announcement is approved by the Board.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

This announcement contains forward-looking statements and forward-looking information within the meaning of applicable Australian securities laws, which are based on expectations, estimates and projections as of the date of this announcement. This forward-looking information includes, or may be based upon, without limitation, estimates, forecasts and statements as to management's expectations with respect to, among other things, the timing and amount of funding required to execute the Company's exploration, development and business plans, capital and exploration expenditures, the effect on the Company of any changes to existing legislation or policy, government regulation of mining operations, the length of time required to obtain permits, certifications and approvals, the success of exploration, development and mining activities, the geology of the Company's properties, environmental risks, the availability of labour, the focus of the Company in the future, demand and market outlook for precious metals and the prices thereof, progress in development of mineral properties, the Company's ability to raise funding privately or on a public market in the future, the Company's future growth, results of operations, performance, and business prospects and opportunities. Wherever possible, words such as 'anticipate', 'confident', 'forward', 'believe', 'could', 'estimate', 'expect', 'future', 'intend', 'may', 'opportunity', 'plan', 'potential', 'project', 'seek', 'will', 'indicate', 'advance', 'target', 'continue', 'delivering', 'generate', 'value', 'network', 'track record', 'extensive', 'experience', 'notable', 'possible', 'expedite', 'enhancing', 'leading', 'monetising', 'vast', 'expansion' and similar words and or expressions have been used to identify such forward-looking information. Forward-looking information is based on the opinions and estimates of management at the date the information is given, and on information available to management at such time. Forward-looking information involves significant risks, uncertainties, assumptions, and other factors that could cause actual results, performance, or achievements to differ materially from the results discussed or implied in the forward-looking information. These factors, including, but not limited to, fluctuations in currency markets, fluctuations in commodity prices, the ability of the Company to access sufficient capital on favourable terms if at all, changes in national and local government legislation, taxation, controls, regulations, political or economic developments in Australia or other countries in which the Company does business or may carry on business in the future, operational or technical difficulties in connection with exploration or development activities, employee relations, the speculative nature of mineral exploration and development, obtaining necessary licenses and permits, diminishing quantities and grades of mineral reserves, contests over title to properties, especially title to undeveloped properties, the inherent risks involved in the exploration and development of mineral properties, the uncertainties involved in interpreting drill results and other geological data, environmental hazards, industrial accidents, unusual or unexpected formations, pressures, cave-ins and flooding, limitations of insurance coverage and the possibility of project cost overruns or unanticipated costs and expenses, and should be considered carefully. Many of these uncertainties and contingencies can affect the Company's actual results and could cause actual results to differ materially from those expressed or implied in any forward-looking statements made by, or on behalf of, the Company. Prospective investors should not place undue reliance on any forward-looking information. Although the forward-looking information contained in this announcement is based upon what management believes, or believed at the time, to be reasonable assumptions, the Company cannot assure prospective purchasers that actual results will be consistent with such forward-looking information, as there may be other factors that cause results not to be as anticipated, estimated or intended, and neither the Company nor any other person assumes responsibility for the accuracy and completeness of any such forward-looking information. The Company does not undertake, and assumes no obligation, to update or revise any such forward-looking statements or forward-looking information contained herein to reflect new events or circumstances, except as may be required by law.

This cautionary note regarding forward-looking statements in of itself is not to be interpreted as any form of approval, validation, or endorsement of the Company's operations, financial position, or future prospects.

Important Notice – Regulatory Authorities

No securities exchange, regulation services provider, securities commission or other regulatory authority has approved or disapproved the information contained in this announcement, irrespective of its release or disclosure on a public platform.

Important Notice - Previous Announcements

The Company confirms that it is not aware of any new information or data that materially affects the information included in the previous market announcements noted above and or in the footnotes and that all material assumptions and any technical parameters underpinning those previous market announcements continue to apply and have not materially changed.
